

Montella's Karate Academy

What is the Black Belt Club

Montella's Karate Academy Black Belt Club allows each student to spend extended time at the dojo. This allows our students to continue to grow in martial arts and enhance their skills and focus. A Black Belt Club membership entitles students to special benefits for their commitment to the Black Belt and beyond. To qualify, a student must be dedicated to Black Belt Excellence, and demonstrate hard work, commitment, and loyalty to the program offered at Montella's Karate Academy.
